8. **Present position:** Independent Gender and Diversity Consultant (www.diversity-gender.com) and co-lead of “Oma/Opa Projekt-Allianz der Generationen” in Vienna (www.nl40.at)

9. **Years within the firm:** independent consulting firm founded by the candidate in April 2014

10. **Qualifications and skills:**

The candidate holds a Ph.D. in Cultural and Social Anthropology and has 30 years of experience in international development & emergency and relief work in the field of women's human rights & gender equality, gender and diversity audits, the (human) rights-based approach to development including indigenous peoples' and child rights programming, women's economic empowerment in post-conflict settings and the women-peace and security agenda, as well as antidiscrimination.

Experience further includes excellent knowledge in participatory qualitative and quantitative data collection and analysis, quality performance assessment, the **designing of training curriculum & material & workshop facilitation skills**, as well as gender sensitive evaluation and **participatory gender & diversity audits**. **She has undertaken successfully 13 Gender & Diversity Audits so far, using the ILO Participatory Gender Audit methodology & the Gender Integration Framework (GIF)**. Many of the implemented consultancies included as deliverable recommendations and action plans for organizational change for strengthening the inclusion of gender and diversity into programming and organizational structures.

The candidate has more than nine years of field-experience (Central & South America, Balkans, South-East Asia, East Africa, South Caucasus), out of those five years of living and working in Central America such as Chiapas (South Mexico 1990-1994 September during civil war) and Guatemala (1995-1997 from peace-keeping to peace-building with UN). She has undertaken work for INGOs in the North and South, the UN system, EU Commission, bilateral governments in the North and South and intergovernmental organizations such as IOM.

11. **General professional experience:**

Solid training and facilitation skills:

- **The candidate has developed multiple Gender & Diversity Trainings in many countries and for many audiences worldwide;** using participatory methods based on the CARE International AIKIDO (gender and diversity GED) methodology and the ILO participatory gender audit tools. Trainings also included preparation of data collection teams in Nepal and South Sudan (up to 25 persons), Uganda and Ethiopia for field work. Further experience include facilitation training for different groups of stakeholders, such as local female politicians from South Caucasus (Georgia, Armenia, Azerbaijan) for including participatory methods into local politics.

Sound knowledge of gender concepts:

- **Overall, the candidate has 30 years of professional experience in the field of emergency relief & development cooperation** ongoing since 1995, when working on Women, Gender and Development Cooperation with "Misión de las Naciones Unidas en Guatemala para la Verificación de los Acuerdos de Paz" (MINUGUA 1995-1997), as UNDP specialist on Indigenous Peoples Rights, later on ECHO programming on the Balkans in BiH in the primary health care sector. Thus, the candidate has an excellent understanding of IDP and refugee needs and arising challenges due to experiences in Chiapas, Guatemala, Bosnia & Herzegovina, Northern Uganda, Burundi, Nepal, South Sudan, etc.
- The candidate was member of the **CARE International Working Group on Rights based Approaches** in Development Cooperation 1998-2002 establishing them as program principle (and from 2008-2014 as Senior Gender Advisor), and has then been member of the Working Group on implementing the HRBA in development for the Boltzmann Institute of Human Rights (2005-2008). Support of UN country team in Macedonia for implementing the HRBA across all programs, and in local development (e.g. http://bim.lbg.ac.at/files/sites/bim/Local%20Development%20Work_EN.pdf)
- **Gender Mainstreaming and EU requirements:** Since 2014 independent Gender and Diversity Consultant – **working e.g. for ADC on backstopping for the implementation of the EU Gender Action Plan II for its cooperation offices** (world-wide; support in gender analysis at sector level, indicator setting, etc.) and for the **update of the ADC Gender Policy to align it with the EU GAP II**. (Gender Equality and the Empowerment of Women. Strategy for implementing the EU Gender Action Plan II in Austria's International Development Cooperation (2016 – 2020), November 2017 – and holder of a framework contract for supporting ADA in the implementation of EU GAP III (2021-2024). This included multiple trainings of ADC staff worldwide on gender mainstreaming of the sector programs in coordination with the EU GAP II and EU GAP III requirements (Moldova, Kosovo, Uganda, etc) and support of joint donor programming (e.g. sector level gender analysis).
- **Researcher – qualitative, quantitative tools development, training of data collectors, data collection and analysis & gender & diversity sensitive evaluations:** Excellent knowledge of qualitative data gathering methods (interviews, focus-group discussions, etc.) and analysis, as well as of usage of quantitative data gathering and analysis methods. Certified EU Sector & Program Evaluator, as well as ILO Participatory Gender Audit Facilitator, realization of ECHO baseline studies (on minorities rights in the Balkans), Gender Analysis on Sector Level (EU GAP II,...), participatory indicator development, baselines and evaluations, and Northern Uganda: Underlying Causes of Poverty Analysis, Gulu 200; .Nepal - Gender Equity & Social Inclusion Analysis. (GESI) SUSTAINABLE ACTION FOR RESILIENCE AND FOOD SECURITY PROJECT. AID-OAA-A-15-00002 (USAID, March 2016). etc .
- **Significant experience in conducting gender analysis:** The candidate has undertaken gender analysis e.g. for Austrian

Development Cooperation e.g. in Uganda (2017), and for CARE International in Nepal “Gender and Social Inclusion Analysis for SABAL Program, Save the Children Nepal (contracted through CARE USA, financed by USAID): Empiric Research, Report writing and Development of Gender and Social Inclusion Action Plan for 33 million US\$ Food Security Program in 11 districts of Nepal (2016), CARE Internationals Middle East and North Africa (MENA) – researcher and writer of Social & Gender Justice Framework (2015), and recently for GIZ in the South Caucasus (Armenia, Azerbaijan, Georgia)– aligning a regional Program to the GIZ gender and diversity standards regarding the program and the organizational structures.

- **Experience in the design of Monitoring and Evaluation framework particularly using gender analytical tools, and the development of sex-age and ethnicity disaggregated data:** Throughout my work as Programme Officer (1998-2002) and later as Senior Gender Advisor for CARE (2008-2014), I have developed and applied M&E frameworks, not only for CARE Austria, but also for the CARE International Women Empowerment Programming framework (**individual, household and community levels**). From 2015-2017, I have supported ADA in its efforts to establish a gender indicator framework across its programming in its different focus sectors, in order to apply the EU Gender action Plan II; in 2018 and 2019 for GIZ in South Caucasus.
- **Proven experience in conducting evidence-based research and conversant with gender issues & experience in data analysis:** As Social and Cultural Anthropologist (Ph.D.), I have a solid knowledge on empiric data gathering and analysis, and evidence based research. Please find numerous publications and grey papers in the publication list. Topics and settings range from research conducted for the Austrian Ministry of Interiors (Gender Analysis of Police Forces) to emergency settings (IOM South Sudan 2017), to Development Cooperation (Participatory Gender and Poverty Analysis Northern Uganda - 2008, Gender and Social Inclusion Analysis – Nepal 2016), etc.

Further professional experience in the field of development cooperation and gender, with a particular focus on the women-peace-security agenda, human development, participatory approaches, and cross-cutting issues such as mainstreaming child rights, rights of persons with disabilities, rights of minorities, ...:

- **Programme officer for development co-operation** (1998-2008) specialised in the field of democratisation, Human Rights and poverty reduction. Strong focus on gender programming, research and training: Human Rights-based approach, reproductive health and rights, indigenous peoples’ rights, combat of interfamilial violence, HIV/Aids prevention, FGM and the rights of the girl child, support of civil society organizations to promote women’s human rights, children’s rights, minority rights, gender and MDGs/SDGs etc.
- On the one hand the candidate has **solid knowledge about Project Cycle Management** and European Commission procedures, as she has been Programme Officer for development co-operation in the field of human rights and gender from 1998 to 2014, including ECHO and different EUROPEAID procedures. On the other hand, she is a trained EU Sector and country program evaluator (TrainEval 2008) and has used this knowledge in backstopping Austrian Development Cooperation support for RBA and Gender Mainstreaming in Sector Budget Programming in Eastern Africa.
- **Policy Development:** Alignment of Austrian Development Cooperation Policies with EU requirements in the field of Gender (e.g. implementation of EU GAP II or ECHO gender & age marker (2015-2017, long-term consulting contract with ADC), and implementation of the RBA (2005-2008, in cooperation with Boltzmann Institute of Human Rights).
- **Women’s Empowerment in Post-Conflict & Women-Peace-Security:** Programming since 1998 in many post conflict regions with a focus on women-peace-security and human rights (including child rights). Projects designed, successfully submitted and implemented include: ECHO programs in the Balkans (1998/99), EUROPEAID/SIDA/ADA programmes on women’s rights and violence prevention in Guatemala, Nicaragua (1999-2002); East-Timor and Ethiopia (1999-2002). Specialized in womenpeacesecurity in multi-country programs – including prevention and combatting of violence against women in North-Uganda, Nepal and Burundi (2008-2014). 2015 - Internal Trend Gender Analysis for the MENA Regional Gender Justice Framework.

Experience with the ILO manual or equivalent participatory gender and diversity audit tools:

- Since I hold the ILO PGA certificate (2013), I have **successfully undertaken thirteen Gender& Diversity Audits so far, using the ILO Participatory Gender Audit methodology & the Gender Integration Framework (GIF), adapted to the needs of the clients**. Many of the implemented consultancies included as deliverable recommendations and action plans for organizational change for strengthening the inclusion of gender and diversity into programming and organizational structures. In 2022 I did the participatory Gender & Diversity organizational Audit for CARE Germany.
- This included 9 Gender and Diversity Audits for CARE International in the MENA REGION in 2016 (**Lead Consultant of an eight Country Gender and Diversity Audit. The scope of this audit included 8 country offices (Jordan, Turkey, Egypt, West Bank & Gaza, Caucasus, Yemen and Lebanon)** and the CARE MENA RMU office based in Jordan.
- In 2020 the candidate was hired by LO Norway (platform of workers unions as lead the gender audit team to provide the **Trade Union Congress of Ghana (TUC) and LO-Norway** with the necessary information and guidance to improve the work with gender equality and gender mainstreaming in the trade unions in Ghana over the period of the framework agreement (2019-2023). The

consultancy included preparations: Produce the inception report, adapt tools/methodology and survey; Field work: Facilitate the participatory gender audit during field days in Ghana and lead the team including the validation workshop, as well as the production of the gender audit report and the gender action plan.

- In 2021, the candidate did an **organization-wide Gender & Diversity Audit for UNOPS worldwide**, including: Elaboration of the Gender and Inclusion Participatory Audit, which covered 1) the gender mainstreaming and social inclusion work of UNOPS to inform the development of the next gender mainstreaming and social inclusion strategy and 2) the gender diversity and inclusion work of UNOPS to inform the development of the next gender D&I Strategy. It had a dual reporting line to the Gender Mainstreaming and Social Inclusion Specialist in the Infrastructure and Project Management Group as well as the Diversity and Inclusion Specialist in the People and Change Group.
